

Swap Shop

Saturday 28th April, 10:00 am to 12:00 mid-day
Acland Hall, Hermitage Road, Cold Ash

Our first Swap Shop on November 19th 2011 was a huge success - the quality of donations was outstanding so it was really easy to pick up something you wanted. This is the first of two Swap Shops we will run in 2012.

Again it's a chance for you to pass on unwanted items to a good home by bringing them along on the day and/or take something useful yourself. You are welcome to come along whether you are only bringing items to leave, just hoping to pick up a few things of interest, or both. Either way it will not cost you a penny!

We are looking for items which are clean and in good working order, which may be useful to others - these can include

toys	books	tools and DIY materials
CDs & DVDs	small items of furniture	household items & furnishings
games	garden equipment	small mains electric appliances *

**these will be PAT tested, for electrical safety, on the day before being accepted*

All items must be small and light enough to be easily carried by one person

If you are bringing items along to donate for re-use then please arrive no later than 11:00 am.

Sadly there are a few things which **we cannot accept** and so we would ask that you please note the following:

NO clothes	NO food/drink	NO baby/child car seats
NO knives	NO paint/chemicals	NO previously opened toiletries

If you have larger items such as bicycles, push chairs or furniture then just let us have a photograph and we will display this with your contact details on a board at the event.

Items in the Swap Shop not taken will be given to the Community Furniture Project who will make them available for re-use, or for appropriate recycling.

Light refreshments will be available on sale during the event.

If you have any questions about the SWAP SHOP then please feel free to contact us via the 'Contact us' facility on our web site at <http://sites.google.com/site/capgreening>
